Issue	Topic	Goal	Step One	Step Two	Step Three	Step Four	Step Five
WHO Europe Study	Other	Request FAA formal explanation of interpretation of the study, and how they are including it in their policymaking	Letter to FAA ccing Congressional delegation from Port & cities with this request (target date: 9/15)	Reach out to other airports around the country to identify shared and/or parallel tactics on this effort (target date: 9/15)			
GAO Study of Community Noise Impacts	Other	Request Congressional letter asking GAO for inclusion of "single site" airports in their analysis, along with metroplexes	Outreach to key Congressional members from appropriate airport regions asking them to sign on to such a letter (target date: 9/15)	Reach out to other single site major airport communities around the country to identify shared and/or parallel tactics on this effort (target date: 9/15)	Letter from Congress to GAO with this request (10/15)		
High Speed Surface Transportation Investments	Other	Support federal funding for innovative high speed surface transportation options	Letter to Congressional delegation laying out our funding priorities (target date: 9/15)	Reach out to other airports around the country to identify shared and/or parallel tactics on this effort (target date: 9/15)	Inclusion of funding for this kind of investment in FY2020 appropriations bill (target date: 12/31)	Support WSDOT efforts to apply for these funds (target date: 6/1/20)	
Late Night Noise Limitation Program	StART Noise Working Group Initiatives	Build awareness of, and support for, this effort from the Washington Congressional delegation	Letter to Congressional delegation laying out our operational initiatives (target date: 9/15)	Work with Congressional delegation to have them share their support publicly for compliance with this effort (target date: 10/15)			
Runway Use Plan Agreement	StART Noise Working Group Initiatives	Build awareness of, and support for, this effort from the Washington Congressional delegation	Letter to Congressional delegation laying out our operational initiatives (target date: 9/15)				

Issue	Topic	Goal	Step One	Step Two	Step Three	Step Four	Step Five
34R Glide Slope	StART Noise Working Group Initiatives	Build awareness of, and support for, this effort from the Washington Congressional delegation; get their help in identifying federal funding for implementation	Letter to Congressional delegation laying out our operational initiatives (target date: 9/15)	Work with Congressional delegation and FAA to identify federal funding for necessary investments (target date: 12/31)	Successfully apply for identified funding (target date: 6/1/20)		
Ground Noise Analysis	StART Noise Working Group Initiatives	Build awareness of, and support for, this effort from the Washington Congressional delegation	Letter to Congressional delegation laying out our operational initiatives (target date: 9/15)	Meeting with Congressional staff to share study results and discuss next steps (target date: 12/31)			
Noise Abatement Departure Profiles	StART Noise Working Group Initiatives	Build awareness of, and support for, this effort from the Washington Congressional delegation	Letter to Congressional delegation laying out our operational initiatives (target date: 9/15)	Meeting with Congressional staff to share study results and discuss next steps (target date: 12/31)
