

How Do You Commute?

SEA wants to make it easier for airport dining and retail employees to get to work and we need to hear from you!

We want your feedback on questions like:

-  How do you get to work at the airport?
-  What are the challenges getting to work?
-  Has COVID changed how you get to work?
-  What would make it easier for you to get to work, especially using sustainable options like transit or carpooling?

We will use your feedback to help design new programs to make it easier for everyone to get to work and reduce SEA's environmental impact.

 **Want to share your voice? Go to <http://bit.ly/CommuteSEA> or use the QR code below to fill out a two-minute survey.**

-  If chosen, SEA staff will contact you to schedule a 30-minute phone interview in May to hear more about your experience. Interview participants will receive a \$50 gift card.
