

## Welcome Back to SEA

### Floret

Floret by Café Flora, located by Gate A1, offers a tranquil and relaxing dining experience like no other at SEA. Large conservatory windows fill the space with natural light and allow guests to view the airfield while drinking and dining. A quick service counter provides the opportunity for anyone to grab a quick drink and snack on their way, with snacks, gifts, and products from all over the Pacific Northwest. The full-service restaurant and bar embody a philosophy of seasonal, local cuisine that is vegan and vegetarian. Floret is a big open space and a breath of fresh air in the bustling airport.

### The Club SEA

The Club SEA is a great place to linger if you have a delay or want more elbow room away from the gate. A \$45 pass gives you access to three hours of cozy furniture, workstations, and complimentary food and drink. There are two locations at SEA near Gate A12 and Gate S9.
