

# STIA Standard Electrical Details

## Table of Contents

1.	260513-01	Standard STIA 12.47kV Feeder and Duct Sizes
2.	260513-02	Proper Splice Orientation and Cable Rack Spacing
3.	260513-03	Medium Voltage Cable Insulation Test Data Sheet
4.	260526-01	Grounding Details – Vault Grounding
5.	260526-02	Grounding Details – Terminations and Splices
6.	260526-03	Electrical Grounding System – Typical
7.	260526-04	Expansion Join Conduit Grounding Detail
8.	260526-05	Manhole Grounding Plan
9.	260526-06	Cable Vault Grounding Details – Cable Support and Manhole Details
10.	260543-01	Switch Vault Details – Typical Switch Vault Layout
11.	260543-02	Switch Vault Details – PMI and SC Sections
12.	260543-03	Switch Vault Details – Cable Support and Manhole Details
13.	260543-04	Switch Vault Details – Miscellaneous Switch Vault Details
14.	260543-05	Cable Pulling Manhole Plan and Section
15.	260543-06	Splicing Manhole Plan and Section
16.	260543-07	Switch Vault Plan
17.	260543-08	Switch Vault Section
18.	260543-09	Standard Manhole and Vault Sections
19.	260543-10	Manhole Typical Floor Plan
20.	260543-11	Standard Switch Vault Sump and Pipe Detail
21.	260543-12	Standard Manhole Sump and Pipe Detail
22.	260543-13	Standard Vault Lid Details
23.	260543-14	Vault Hatch and Embedded Grounding Details
24.	260543-15	Standard Manhole Cover Detail
25.	260544-01	Firestopping Details
26.	260553-01	Labeling Details – PMI and Sectionalizing Cabinet
27.	260553-02	Labeling Details – 12kV Conductor/Elbow Tag Placement
28.	260553-03	Labeling Details – 12kV Termination Tags
29.	260553-04	Labeling Details – Tag Specifications
30.	260553-05	Labeling Details – 12kV Splice Tag Placement
31.	260553-06	Labeling Details – Transformer Labels
32.	260553-07	Labeling Details – Equipment Naming Convention
33.	260553-08	Labeling Details – Equipment Naming Convention
34.	260553-09	Labeling Details – Equipment Naming Convention

- 35. 260553-10 Labeling Details – Equipment Labeling Diagram
- 36. 260553-11 Labeling Details – 5/8" Text Height Nameplate
- 37. 260553-12 Labeling Details – 1/4" Text Height Nameplate
- 38. 260553-13 Labeling Details – Small Labels
- 39. 260553-14 Sample Riser Diagram
- 40. 260573-01 Arc Flash Label Template
- 41. 261116-01 Double Ended Unit Substation One-Line
- 42. 261200-01 Equipment and Component ID Tag Requirements
- 43. 261200-02 Transformer Nameplate Schedule
- 44. 261349-01 Switch Vault Details
- 45. 261800-01 Sectionalizing Cabinet Details – Typical 3-Way Sectionalizer
- 46. 261800-02 Sectionalizing Cabinet Details – Fault Indicators
- 47. 262300-01 LV Switchgear Cube Layout – 4000A and Larger
- 48. 262300-02 LV Switchgear Cube Layout – 3200A and Smaller
- 49. 262416-01 Panel Trim – Panel Schedule Holder
- 50. 262416-02 Panel Trim – Door-in-Door Type
- 51. 262713-01 Meter Enclosure Elevations and Details
- 52. 262713-02 Meter Enclosure Elevations and Details
- 53. 262713-03 Power Meter Wiring Diagrams
- 54. 262713-04 Meter Communications One-Line Diagram
- 55. 265600-01 Illumination Pole and Foundation
