Welcome to the Port of Seattle VendorConnect

Important! Port Contractor/Consultant Vaccine Requirement

Due to the everchanging COVID-19 situation and the healthcare professional and state guidance provided, all public gatherings, such as pre-bid meetings and bid openings will be held virtually. This information will be provided in more detail as it applies to the particular requirement and interested vendors should monitor VendorConnect closely for changes.

Port of Seattle VendorConnect provides procurement and contract information for construction, consulting, and goods and services. This is also the one stop location for registering to be on the following rosters: small works (construction less than \$300,000), consulting services, and goods and services.

To begin, you must register yourself and then find or add your business. If you were in our old system, and this is your first time logging in you must recreate your login account. To do this, click the "REGISTER/LOGIN" button below, then the "Sign up now" link on the login screen.

Upcoming Events

Maritime Industry Day

Thursday, October 17th 1pm – 4pm

The Port of Seattle Maritime Division offers expansive opportunities for WMBEs and small businesses in the construction trades! Learn about the Maritime industry, future solicitations, get tips on how to pursue Port work, and connect with Port PMs, primes, and other WMBEs.

Advanced PortGen Workshop Series

September 17th – October 19th

Designed for small, minority, and women-owned businesses wanting to learn the government contracting essentials, this series will teach you how to identify requirements to be responsive and gather resources to support your efforts in selling to the Port of Seattle and other agencies.
